**What is CASE?**

The Campaign for State Education has been a grass-roots, non-party political organisation since the 1960s. We believe that a good education is the right of all citizens and that this is best achieved through a comprehensive education system. We oppose segregation by '11-plus' or through covert means of selection.

**What are we trying to achieve?**

A properly funded, non-selective and locally democratically accountable school system that allows every child and young person to achieve their full potential.

**Who can join?**

CASE members include parents, students, school and college staff, governors and other professionals from all sectors of education.

**What do I get in return?**

You will receive our publications, such as CASEnotes magazine, and become part of a democratic campaigning organisation. All our members are invited to the annual policy-making conference.

**How much does it cost?**

Subscription rates are as follows: £18 for individuals (waged) ; £6 for individuals (unwaged) . We have kept our rates low to allow a broad range of members to join, but if you can afford it, donations are also very welcome!

**How can I pay?**

Option A = by cheque. Option B = by standing order mandate
